reflektions ltd. was founded on the philosophy that people are people regardless of race, sex, color, religion, age, disability or sexual orientation and should be treated as such. While the focus of our services is geared towards providing the best supports possible to individuals with developmental disabilities, we also believe and understand that supporting and educating our employees is critical to everyone's success, no matter their job title. Whether you are an individual/guardian looking for strong supports, or looking to join our organization, we look forward to hearing from you.

reflektions ltd. is a waiver provider through the  
Ohio Department of Developmental Disabilities.  
We provide residential and adult day supports in Central Ohio.
