

Supported Living, Employment and Socialization...we do it **all, better!**

There are many benefits of having a single provider:

- Consistent values, ethics and culture among staff and participants
- Reinforced goal support, using uniform training techniques in each service area
- Better communication among all the staff that serve you
- Consistent and standard medical oversight in all areas
- Accountability of all service area staff to a single executive manager
- A single point of contact for communication and issue management

About Us

Our Mission: Encourage growth and independence for adults with disabilities by providing a secure, positive and fun environment in which they can build lasting friendships while learning important skills for everyday living.

Our Vision: A world where adults with disabilities are accepted by everyone as successful, thriving, and significant members of society who are looked upon as equals and can be counted on to make good choices and decisions for themselves and others while leading productive, fun and satisfying lives.

their purpose in life!*

**Why not make
all R friends
all your friends?**

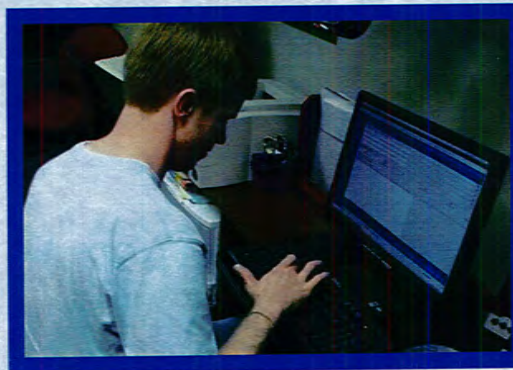

Day Support

Our Day Support group will teach you how to communicate and interact with others effectively and appropriately. Whether you are into music, dancing, games, puzzles, sports, learning new things, visiting places in the community, or just hanging out with your friends, we have what you're looking for!

Supported Employment

all R friends can assess your capabilities and interests, and provide you with the direction and training you need to find the right job for you! Our Supported Employment staff will help you develop and retain the specific job skills you need to become independent in the performance of your work.

Supported living

No matter where you live, or who you live with, we can provide you with the everyday living assistance you require to help you become more independent!

24x7 supported living services are available, or create a custom schedule for the hours you desire.

Special programming is also available to help with transitioning from living with your parents to living on your own or with a roommate.
