- IPC Transportation
- Non-Medical Transportation
- Supported Living

We are certified and governed by the Ohio Department of Developmental Disabilities to provide services throughout the State of Ohio. We currently provide services in the following counties:

- Delaware
- Franklin
- Hamilton

The goal of Cornerstone Supported Living, LLC is to empower individuals with Intellectual Disabilities and Developmental Disabilities (ID/DD) so that they may live to their fullest potential.

## Cornerstone Recreation and Vocational Center

The goal of our Recreation and Vocational Center is to provide an environment that allows participants to meet their needs of continual learning, retaining current skills, promote health and wellness through physical activity, recreation, socialization, volunteering, assisting participants with how to exercise Self Advocacy and Self Determination in their lives, and to develop job skills.

Our individuals are assisted with creating useful products that can be sold to raise funds. Our goal in raising funds is to be able to provide day trips, community activities, and host social events for our participants at no cost to them.

Volunteering is a wonderful way to be involved in our local community. Our partnership with a variety of businesses allows our participants to develop relationships, care for others in their community, and practice skills that are useful in the typical job market.

Our participants enjoy a variety of socialization activities such as:

- Current community events
- Basketball
- Bowling
- Nature Walks
- Amusement Parks
- Swimming
- Zoos
- And more!

Participants have a variety of indoor and outdoor activities to choose. Individuals are encouraged to participate in the development of programs and activities that are available so that varying interests and needs are met.

Our ADS operates Monday-Friday, 10:00 a.m.-3:00 p.m. year round with exception of holidays, inclement weather, and scheduled staff in-services. Please call us to schedule a tour or to discuss how we can be of assistance!
