At REM-Ohio we believe our success is built around the strengths and skills of the employees who represent us.

Our strength and our foundation are the people who make up REM-Ohio. Each member of the REM-Ohio team is not only appropriately trained, but is committed to our belief in the potential of each person we serve.

"Belief is the Knowledge that we can do something. It's the inner feeling that what we undertake, we can accomplish. So in belief, there is power: our eyes are opened; our opportunities become plain; our visions become realities."
