

Louise Miller lives in Delaware, Ohio and has been working through Care Star for two years. In this time she has worked with a number of clients, including children and adults with various levels of disabilities. In addition, Ms. Miller has over 20 years working for Delaware City School's as a special needs bus driver. She also worked a number of summers as a driver for Delaware Area Transportation Association (DATA). To supplement her employment experience, Ms. Miller also has current child and adult CPR certifications as well as training in first aid. All of these experiences have prepared Ms. Miller to be an effective home health care aid, who is flexible, reliable and confident in her abilities.
