A Facility Built For You

- Three cedar residence halls and additional overnight facilities that can accommodate up to 215 people.
- A retreat cottage with kitchen facilities, which can accommodate up to 16 people.
- A dining hall that seats up to 300 people, with menu selections from cafeteria style to buffet banquets.
- A multi-purpose lodge, with a large stone fireplace and stage, which can accommodate up to 250 people.
- An outdoor pavilion offering a built-in stage, picnic tables and a large stone fireplace, which can accommodate up to 80 people.
- A six acre lake available for fishing, canoeing, kayaking and pontoon boat.

The spacious cedar facilities interconnect with four miles of nature trails with observation points for viewing waterfowl and wildlife. A prairie, forest, stream, amphitheater and shelters provide an ideal environment for nature programs and outdoor education activities.

Programs Built For You

- **The ____OLOGYST in You** - Discover the exciting world of science. Recreation Unlimited is home to a rich and diverse spectrum of surroundings containing four major ecosystems, which enhances the experience.
- **The Time Traveler in You** - Travel through time and discover American history through experiential learning.
- **The Adventurer in You** - Achieve personal growth by stretching one's comfort zone through exciting and challenging activities.
- **The Artist in You** - Discover self expression by creating take home projects that promote the creative process.
- **The Athlete in You** - Discover the thrill of competition through physical fitness, mental concentration, and teamwork.
- **Simply Put: Being Yourself** - Discover the joys of friendship through large group activities.
- **Disability Awareness** - This program provides sensitivity training and respect for others through simulated scenarios that promote person-first thinking and allow an abbreviated experience as an individual with a disability.
