

# What is Medicaid Managed Care?

## *Free Regional Informational Forums for People with Developmental Disabilities, Parents, and Families*

Managed Care is a new health care coordination service offered through the Ohio Department of Medicaid. If you or a loved one receive funding through a state-funded developmental disabilities waiver, you or your family are newly eligible for Managed Care as of 2017. Come to one of our in-person forums to learn more about this new health care management option. ***The forums will feature representatives from Ohio's Managed Care plans, who will take audience questions.***

### Each session will cover:

- **The Basics:** What is Managed Care and how can it help coordinate health care?
- **The Benefits:** Expanded health care access, coordination, and health and wellness programs
- **How-to Steps:** How and where to sign up, including what to expect once you are enrolled
